These rules form part of your membership conditions. Please retain this copy for reference.

1

ACCESS & SECURITY

All gates must be fully closed. Anyone failing to do this will face a lifetime ban.

2

FISH WELFARE

No fish are to be killed. All fish (including pike) must be returned. Removing or deliberately killing fish is a criminal offence under the Theft Act. The Association reports all such offences to the Police and, where necessary, will instigate a private prosecution to ensure cases are brought before the Court.

3

LITTER & FISH MOVEMENT

No litter of any description (including discarded tackle) is to be left. Any angler caught leaving litter will face a lifetime ban.

No fish are to be transferred to or from other waters (including livebaits for predator fishing). It is an offence under the Salmon & Freshwater Fisheries Act to introduce fish without the necessary permission.

4

GUESTS & GATE CODES

No guests (non-members) under 18 years of age are allowed on any Association fisheries. Guests over 18 must obtain a Guest Permit (free of charge) from the Fisheries Officer. Gate codes must not be revealed to any non-members.

5

FISH MOVEMENT

No fish are to be transferred to or from other waters. It is an offence under the Salmon & Freshwater Fisheries Act to introduce fish without the necessary permission.

6

RODS & DESIGNATED SWIMS

No angler may fish with more than three rods at any one time on any Association fishery. Fishing is only permitted from designated swims. Tackle must not be left in the water unattended.

7

KEEPNETS

No keepnets are to be used on any of the Association's still-water fisheries other than in official matches. The Association does not advocate putting barbel in keepnets.

8

DOGS, GUNS & CONDUCT

No guns of any description are to be brought onto Association fisheries. Dogs must be kept on a lead at all times. All dog faeces must be cleaned up immediately. Dogs must not be allowed to disturb other members.

9

NIGHT FISHING & PRESENCE

No angling is permitted on any Association fishery between the hours of 10:00pm and 5:00am, except:

- Carlton on Trent: 10:00pm to 7:00am
- River Rye at Butterwick: 9:00pm to 7:00am

No person is permitted to be present on any Association water during night fishing hours unless they are in possession of a valid night fishing permit for that specific venue, whether they are fishing or not.

Members (other than Association bailiffs) found on any Association fishery during the stated hours without a valid night fishing permit shall be liable to have their membership permit revoked and may face prosecution.

10

BEHAVIOUR & ENVIRONMENT

No fires, swimming, or boating. Members must behave responsibly and respect other anglers. Do not damage trees or bushes and do not interfere with wildlife. The Association takes environmental protection seriously and expects members to do the same.

11

VEHICLES & PARKING

Vehicles must be parked responsibly and must not cause problems for other anglers, landowners, farmers, or members of the public. Officers reserve the right to tow away or clamp vehicles parked irresponsibly and disclaim any liability for damage caused. Membership signifies acceptance of these conditions.

12

JUNIOR MEMBERS

Members under 14 years of age must be accompanied by an adult.
